

TEASURED TIMES – MIDSTATE METAL DETECTOR CLUB NEWSLETTER – April 2014

Editorial Corner:

Hi Everyone,

Well spring is here, snow is gone (mostly), & wet and muddy in a lot of places. But, it still needs to warm up a little for us to be comfortable for detecting. I'm sure the hardy people have gone out and found some treasure by this time. We have found a nickel and a couple of pennies. We want everyone to do better than we did. We had 19 members and 3 guests (which some became members at the end of the evening.) Welcome aboard. Please contact me for any changes and corrections.

Minutes:

New Business this month

1. Kent Kehus passed out questionnaires for us to fill out as to when we wanted to know what the majority of us feel about monthly club hunts; such as: do we want outdoor hunting as a club on our regular monthly meetings or another night of the week in addition to our monthly meeting.
2. Those who bring in their finds of the month will be the speakers for the meeting
3. Rick Gremler (web master) mentioned that members should talk to businesses about donating to the annual hunt. If businesses donate be sure to tell them that they will be recognized in our annual hunt flier. Check out our website at www.midstatemdc.com
4. We could also use donations for the kids hunt and the merchandise raffle.
5. Finds of the month; All those who bring in a find of the month will be our speakers for April, to tell what it is and how you found it. Great idea.
