Mid-State Metal Detector Club Newsletter - August 2016

Presidents Corner:

Hello Everyone, What a great hunt, I heard that from everyone. You should all be proud you stepped up and hit it out of the park. I think all the raffles did good, I don't know the final figures yet. I looked into booking the sites I have for next year but they are not doing it till after the first of the year. I hope everyone has been getting out detecting and we have some good finds this month.
Steve

Meetings are always held at Shooter's Restaurant and bar, every 3rd Wednesday of each month at 7 pm, unless we have a club outing, which will be announced ahead of time. Shooter's is located off of interstate 39/51 and B, next to KWIK Trip in Plover, WI. Next meeting August 17th 2016.

At June's meeting there were 17 members and 4 new members. New members were; Jim Arco, Tina Loeper and two teenage children. Sharon O'Connor won the \$10 membership drawing, Ray Zastrow won \$31 in the 50/50 drawing. We need speakers for October meeting. We may have a hunt lined up for the club in the fall up north at Ron Church's brothers land. The meeting in July at Kathy Montgomery's camper, was opened by Kent Kehus VP. There were 25 in attendance for this meeting and \$100 hunt.
