

Editor's Corner:

Hi Everyone, I haven't heard from Steve, but I did hear from others that the Annual Hunt went down without a hitch. There will always be complaints that the break at noon is too long. Also, that the time in between hunts should be shorter. Maybe we need to take a poll from the people that come to the hunts and actually do the hunting, just a suggestion. I also heard from Kathy Montgomery that we took in over \$700 dollars in the merchandise raffle. That is very surprising to me, because I know that some people didn't even buy tickets because of the items that were on the tables. Well better next year, right?

Very glad that the weather held out for us. It was warm but it could have been worse. I'm sure that Steve is very grateful to all those that worked so hard at the outing.

Our next meeting will be at Shooter's again on August 16th at 7 pm.

Membership Drawing: the winner will get \$60 if they are present.

We must start to think about taking a position with the club, or have in mind who we would want to nominate next month for the different office positions.

Be sure to bring in your finds from the past two months.

Best to all,
Editor/Secretary
Shelby Stanczyk
