

## Treasured Times - Mid-State Metal Detector Club Newsletter

### Editorial Corner:

In January's meeting we had 19 members attending and 2 new members, Bill & Jeanne Grodevant. Welcome and hope that we can be a learning tool to you, and you to the club.

I'm sure that all of you avid detectorists are itching to get out there, but we may have to find something else to do before we can do any digging. That is unless you can get the opportunity to go to a warmer climate, in that case, good luck.

Our meetings are held at Shooters in Plover. Meetings are held every 3rd Wednesday of every month at Shooter's Bar & Restaurant located at the intersection of Hwy 39 and 54 next to the Kwik Trip station. Next Meeting Feb. 18th at 7 pm.
