

PRESIDENT'S CORNER:

Well, by the time you read this I will be gone detecting in England. We had a good meeting last month, Phil Bender set it up for his friend Ken Williams to come and talk about bees and bee keeping. I thought it was really interesting and we even have some members that have dabbled in bees before. Thanks to Phil and Ken. This next meeting March 15th, I will not be there as everyone knows I will be gone. But the meeting will go on a 7 pm. At Shooters. Phil Bender is trying to get Gary from Gary's coins to come and talk on preserving and cleaning coins. I haven't heard for sure if he is coming. The finds of the month will start up again in April, so bring in EVERYTHING you have found since last December. Th Hunt Flier was sent to Rick Gremler so it should be on the club website soon.
