## MIDSTATE METAL DETECTOR CLUB NEWSLETTER

March 2014

### Editorial Corner:

Hi Everyone,

Well is everyone getting spring fever like we are? You are if you were among those who stayed in WI for this very snowy and bitter cold winter. We have been watching Diggers on TV and want to hear that special beep the detector makes when there is a good find. It looks like it will be awhile for us yet, but the time is getting closer and then we will be able to bring our finds in to show the club. Twenty two members were in attendance last month.
