

TREASURED TIMES
MID-STATE METAL DETECTING CLUB NEWSLETTER - MAY, 2016

Hope all of you have been having great success in finding some great things.

If you are planning to go camping during the time of our annual meet, you better let them know At Deer Trail Campground. She told me that they have a new system for registration and that just telling them that you will be back next year is not going to hold your camping spot. So call 1-715-866-3871 to get more info.

Meetings are held at Shooter's Restaurant every 3rd Wednesday of each month at 7 pm. Unless there is a prior announcement. Shooter's is located off of interstate 39/51 and B, next to KWIK Trip in Plover, WI
Next meeting May 18th

We had 24 members and 1 new member and 1 guest at the meeting last month.

Membership Drawing: Phil Benda won \$10. 00, congrats. For May it will be back to \$10

New Business: Topics that were discussed;

If anyone had or was going to Conover on May 8th.

Kevin Boyek had a heart attack. Ann & LaVern had a break in at their house and all their rings were stolen.

Warning don't brag about your finds from metal detecting.

July 20th will be our meeting at Kathy Montgomery's camper: It will be a pot luck, everyone bring a dish to pass and your own chairs, plates, silverware. Brats and buns will be furnished by the club. A hunt will follow the meeting. We are now doing the 50/50 again at the meetings, Kent and Karen Kehus will be running the 50/50, for the next two months; then hopefully someone will take over. Larry Rollins won \$37. Rick Gremler asked if anyone wanted to go out and get donations for the hunt? Larry Vanderhoef talked a little about the state and designated land you can and can't hunt on. Nothing has really changed.

Kent & Steve did a demonstration on different items people use for metal detecting, (pouches, diggers, pin pointers, scoops, etc.

Rick Gremler found keys last year and returned them. Good job.

BEST FINDS:

Relic/most unusual: copper knife, Doug Miller
