

PRESIDENTS CORNER:

A new club president was elected at the September meeting. My name is Kevin Pudroski. I have served as the coin buyer for the monthly raffle for the past three and a half years. As I step into the presidency, I am thankful to Kent for passing on a club in good condition. Kent has guided the club, ably, for the past year. Thank you, Kent, for a job well done!

It is such an honor to serve as your president. The commitment of the membership to the community is very impressive. Our club members have found countless lost items for non-members. We have been willing to work with other clubs/organizations and educate others by sharing our metal detecting and prospecting knowledge. These simple acts help demonstrate to the public, we are community oriented. This positive club image continues to help us grow. Now that the stage is set, there is work to do. Together with the help of the board officers and special committees, we will be completing tasks beneficial to the club. We will continue to promote the annual hunt, participate in our local hunts, discuss the progress of metal detecting and most important have fun with our hobby.

Let us resolve to move forward, spread the word of our fun club, and continue to build this mid-state metal detector club. **Club Site:** <http://www.mytreasurespot.com/main/list.php?16>
