## MIDSTATE METAL DETECTOR CLUB NEWSLETTER

Volume No. 12  
October 2013

Issue No. 10

### Editorial Corner:

**Hi everyone,**

**Hi everyone,**

We once again have a newsletter and a new editor. After Jerry & I (Shelby) gave up the monthly raffle buying. I felt that I would have the time to do the newsletter. Our schedule is still tight with babysitting, yard work, detecting and Jerry's guitar playing but, I will get the news to you.

Sorry that this issue is late, I was hoping to receive an update on email addresses. I don't have home addresses or email for the new members for the past 6 months. So if you should know any new members, please pass on the new times.

There are going to be a lot of new and exciting changes to the club. Kent Kehus has made up a great new format, which still needs to be finalized and voted on.

We are still in the process of assigning new officers, so be sure to come and be a part of the new & improved club meetings.

Thanks, looking forward to seeing you at the meeting,

Shelby Stanczyk [sierrvs@charter.net](mailto:sierrvs@charter.net)
