

## NEWSLETTER - SEPTEMBER 2015

### EDITOR'S CORNER:

We had 87 competing at our July hunt. It was shared with all just what monies we took in on all the raffles. There were 14 metal detectors that were one by individuals according to different categories. We talked about the good and bad parts of our hunt so we can make corrections for next year. Members of our club should work on bringing in their cases for next year's display for the trailer. If anyone has any other ideas on how to make our hunt better next year, please let Steve or Kent know.

### PRESIDENT'S CORNER:

Hello All - Another Year and we are still together, Thanks You to all Officers that have served in the past Years. Elections are around the corner like next Wednesday, September 16. If there is any position you want to run for have someone nominate you or nominate yourself. Nominations will be allowed until we start elections.

Also this month we are having a outing Sunday September 20. It will start at 10:00am, we will go to detecting spots right away. These are farm fields with trash and some coins. We have detected these spots last time but still worth another shot. Around noon we will return to my house and have lunch I have bought some brats and some hotdogs, for those attending bring a dish to pass, plates and utensil and your own drinks, I do have good water if you want that.

About 1:00pm we will do the planted hunt free for anyone who helped at the hunt, I planted some silver dimes paid for by the club, and some wheat pennies and some foreign coins. It will last about 20 minutes and if there are any coins left they will be there next time. Now here is a change if you did not help at the hunt and want to do this planted hunt there will be a \$10.00 fee and I will plant some more silver dimes with this fee. Make sure you either call or let me know at the meeting on Wednesday.

Here is my address and phone number if you need to contact me

Steven Miller

N3073 County Road B

Hancock, WI 54943

[715-572-1845](tel:7155721845)
