

Here we go it another month and we still have snow. I am changing the planted hunt at my house to April 29, 2018. Start at 1030 we will look around the planted area till noon and then eat.

Please bring a dish to pass, your own plate and silverware or plastic and your favorite drink, I do have 36 brats now and will get some hotdogs if we need them and I will get the buns before so they are fresh.

After we eat will head out into the field by my house where another house stood we detected there before and found some stuff. I hope the ground is thawed by then.

Make sure everyone that is a member hears about this.

Don't forget meeting wed night 4 /18/2018 shooters restaurant 7 Pm

We will have finds of the month, Raffle, Hopefully coin giveaway, membership drawing.

Hopefully we will have Gary from Gary's coin to come and do a talk.

the hunt Flier is attached to this message will someone at the campground get it to the campground

See you then Steve
