July 5, 2019

Hello All,

The July pre-Hunt meeting is on at Deer trails Campground,
July 17 , 2019 at 6 PM site Number 56

I have talked to Kathy and she said she will put up with us and she is getting hot dogs and buns and the club will pay her for them.

Make sure to bring a dish to pass, also bring your own drink and one for me, LOL

Also you will need plate, napkin, silver ware, lawn chair, bug spray. and what ever else you need.

There will be no finds of the month, and no raffles or drawings.
I do not know if Kent will do a hundred dollar hunt so bring your detector just in case.

Odds are I will not be there but you never really know.

Happy Hunting Steve
