

Newsletter March 2018

March 8, 2018

Just so you all know I have returned to the USA. So when I returned I had a text message from the campground and they told me not to worry about parking for the hunt we could have everyone park where they always do. and they would but up tape on sites where people were renting them.

So I guess the hunt is still on so I will have to get going and get the flier ready to go as soon as I get my taxes ready to go.

Just wanted to give you a heads up.

This also is your reminder that the next meeting is March 21 at 7 pm at shooters restaurant

Also hunt date is July 27 28 29 2018

See you at the meeting

Steve
